

**FREEDOM
TO
MOVE** 

CONCENTRATED PERFORMANCE

**WITH TOTAL
FREEDOM****OF 42 iQ****FREEDOM**

1 FLAWLESS EFFECTIVENESS

Without compromising on cleaning efficiency, Freedom, the cordless robotic pool cleaner, benefits from total freedom of movement. Get flawless results every time thanks to **its patented cyclone suction system**. Equipped with **two traction motors**, you can appreciate the agility of Freedom in all types of pools, with perfect coverage of every area of your pool. Dive into crystal clear water thanks to the robot's **fine filtration and active brush** that banish even the tiniest debris.

2 ONGOING PEACE OF MIND

Trust in freedom's long-lasting **lithium-ion battery**, which allows it to carry out a full 2-hour cycle. Designed to last, it will provide your robotic cleaner with the necessary power to complete a large number of cycles, and can be **easily replaced** when it reaches its end of life. Your cleaning robot can be recharged indoors or outdoors, as **its charging system is unaffected by the rain**.

3 EASE OF USE AT EVERY STEP

Starting up the robot and launching a cycle are very simple and intuitive processes. And as soon as your pool cleaning cycle is finished, you receive a **notification in the iAqualink™ app**. When you're away, collect your Freedom whenever you want, thanks to **the patented "Tap&Lift™"** feature. Just tap on its cover using a pole with the hook and your robot rises back up to the waterline by itself. Open its cover and directly access the filter basket, easy to clean for the quick and convenient maintenance of your cleaning robot.

CHARACTERISTICS

TAP & LIFT™

Tap the cover, using a pole with a hook attachment, so that your robotic cleaner automatically rises to the water line.

REPLACEABLE BATTERY

Long-life lithium-ion battery that can be easily replaced by a professional.

EASY TO CHARGE

Inside or outside, thanks to the water-resistant plug.

WHAT TYPE OF POOLS?

- 1 FOR IN-GROUND AND ABOVEGROUND POOLS WITH RIGID WALLS
- 2 ALL SHAPES OF POOLS
- 3 ALL FLOOR TYPES AND SURFACES
- 4 SIZE UP TO 10 X 5 M
- 5 CLEANING OF THE FLOOR, WALLS AND WATER LINE

TECHNICAL INFORMATION

Number of motors	2
Cleaner dimensions (W x D x H)	43x30x30 cm
Cleaner weight	8,9 Kg
Cleaning cycles	Floor/walls/waterline
Surface area of filter	480 cm ²
Filter capacity	3L
Filtration	100µ
Cleaning width	23 cm
Battery	Lithium-ion / 6 400 mAh
Drive system	Tracks
Transmission	Gears
Safety	Beach system, out-of-water safety, electronic motor protection

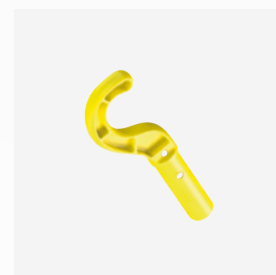

STANDARD FEATURES

Charger
suitable for outside use

Filter canister
Filter: 100 µ

Universal hook
for assistance in removing from water

AVAILABLE ACCESSORIES

Double 60µ and 150µ filter canister
Trolley
Protective cover

A wireless robotic cleaner equipped with a high-power lithium-ion battery offering expert cleaning without intervention. **Highly efficient, easy to handle** and **cable-free**, it is **remarkably agile** and gets into the tightest of corners on all types of pool surfaces. The **iAquaLink™** application enables greater control and improved monitoring of the battery status.
